

Special Thursday Night Dance on April 29th, 2010

Featuring

A free West Coast Swing cool moves class with Ottawa's Maria Ford & André Danis 8:30-9:15pm

We are dancers, teachers and competitors focused on West Coast Swing and Hustle, also dabbling in Blues dancing, Balboa and Lindy Hop.

We bring a unique mix of experience and skills to our dancing, teaching and performance. Maria's training in contemporary jazz, tap, swimming and synchronized swimming give her a strong understanding of kinetic movement and technique, while Andre's background as a club DJ and training in martial arts give him exceptional musicality and precision.

We have been dancing together since 2003 and competing since 2006, earning more than 50 medals in just a few years. We're proud to have been the founders and coaches of the champion WCS Team, the Swing Dynamite Westie Bombers, in 2008-2009

and ...

Guest Deejays, also from Ottawa,

OldsKOOL & DaCube

This tag-team DJ combo hails from Badstreet, Ottawa, Canada – if there is such a place – and is known for getting the house rockin' and the party poppin'.

Both competitive dancers in West Coast Swing in Hustle, they love a busy DJ booth, too. OldsKOOL is **André Danis** – his roots date back to club DJ'ing in the '70s, so you're guaranteed to hear stuff you thought you'd never hear again. DaCube is **Donnie Neron** – his music library contains more songs than there are grains of sand on the Earth. Get some!

This special "Cool Moves" class is included with the regular price of admission for our Thursday night swing dance at the St. Clare Theater. Regular admission is \$5 or \$3 if you have already taken a dance class from one of our local instructors.
